❖ Venue: Rishi Aurobindo Auditorium, Annapurna Memorial College of Education (AMCE)

❖ Date: 3rd April, 2025

About the Workshop:

The value of positivity has been recognized and in the past decade has renewed interest and a refocus in “Research Methodology and Dissertation writing”. The Research Methodology Workshop was tailor-made to facilitate the academic requirements of the Post-Graduate student community at the AMCE. The one day’s trans-disciplinary workshop was conceptualized with the intention of knowledge-building on the fundamentals of research concepts, methodologies and processes in addition to providing hands-on training in synopsis/dissertation writing with inputs on the essentials of academic writing. The “Research Methodology and Dissertation writing” aims to build scientific perspective, attitude and skills for systematic enquiry by developing understanding of philosophical foundations of research, various elements of research design and methods and tools for data collection and analysis. The course will enable comprehension of principles and elements of research methodology, to formulate research problem, objectives and questions. It will introduce students to various methods, tools and techniques related to research. The course has a strong practical component. The students will write research proposal and submit a full-length review article based on secondary data.

Objectives:

Objectives “Research Methodology and Dissertation writing” in relation to:

- To develop knowledge on the fundamentals of research
- To build knowledge on research design, application & data analysis
